Sneak Preview of Estate Plan

Although Woolshed Grove is still in the final stages of council approval, we would like to give you a sneak preview of the exciting developments to come.

The proposed Woolshed Grove Estate Plan shows the extent to which this unique development creates a desirable bushland residential community by leaving substantial areas of the natural heritage untouched.

There will be 62 residential homesites with the proposed block sizes ranging from 410 sqm to 1002 sqm.

Please click on the link below to download the proposed Woolshed Grove Estate Plan:

More Information

The official price list, estate plan, building design guidelines and covenant will be available as soon as we are in a position to commence selling the blocks "off the plan".

Although Woolshed Grove will be an exclusive residential community, we are determined to ensure it is priced competitively. Accordingly, we have been closely monitoring the property market and have conducted extensive research of official land sales statistics and land currently available for sale on Brisbane's Northside. Based on this research, the proposed pricing for the allotments will range from the low to high \$300's.

The price of each individual allotment will be determined by its size and location in the estate. The proposed prices will be continually reviewed up until the official price list is released.

For more information, please contact Woolshed Grove Sales Director, Sergio Giavon, on 1800 725 131 or email sergio@woolshedgrove.com.au.
